frequently asked questions

Can I just book individual beauty services?

Yes, you can book individual services.

We work with a trusted network of wedding hair and makeup artists. We recommend professionals based on your style, location and wedding vision.

We also help with availability and scheduling. Because of this, you avoid searching and comparing suppliers yourself.

This ensures you work with reliable stylists who match your wedding look.

How close to my wedding day should I have a spray tan?

Timing matters for the best results.

We recommend booking nails 1–3 days before your wedding. This keeps them fresh for photos.

We usually schedule spray tans 2–3 days before the wedding. This allows the colour to develop fully.

As a result, your nails and tan look natural, even and long-lasting.

Can bridal party treatments be included?

Yes, we can include bridal party treatments.

These include wedding hair, bridal makeup, spray tanning and nails. All bridal party services are charged separately.

This gives full flexibility based on your group size.

We then schedule everything clearly. As a result, your bridal party stays organised and ready on time.

frequently asked questions

Do you offer trials for hair and makeup?

Yes, you can book trials with your stylist.

Trials help you test your look before the wedding day. This builds confidence in your final style.

We can help arrange trial timings. We also share inspiration with your stylist.

This makes your trial focused and efficient. If you are not local, you can still discuss your look remotely.

How does wedding morning coordination work?

We create a clear plan for your wedding morning.

First, we map out all timings. Then, we schedule each service and person.

We also coordinate directly with your stylists. Everyone follows one clear schedule.

This creates a calm morning. You can then relax and enjoy the experience.

Do you travel for wedding bookings?

Yes, we cover Cornwall and the South West. We also travel for destination weddings.

We adapt to your location. However, travel depends on distance and logistics.

We confirm everything in advance. This keeps your booking simple and organised.

How far in advance should I book?

We recommend booking early.

For coordination, 6–12 months is ideal. This is especially important in peak season.

You can book individual treatments closer to your wedding. However, early booking gives more choice. This also improves availability and planning.

frequently asked questions

Do you require a deposit to secure my booking?

Yes, we require a non-refundable deposit.

This secures your wedding date. It also confirms your booking.

We then begin planning your schedule. The remaining balance is due before your wedding.

Is there a minimum number of bridal party members for a Retreat wedding booking?

For mid-week small and intimate weddings and elopements, there is no minimum number required per booking. However, due to the popularity and availability of weddings on a Saturday in Cornwall, we require a minimum of four people from the bridal party per booking for both hair & makeup (e.g. one bride and three bridesmaids). This means that, for a wedding on a Saturday, the cost of the package will be £650 for the bride plus additional hair & makeup fees for the remaining three bridal party members.
